Implementing Compostable Solutions

Plastic Serviceware Replacement

Certified Global Standards

ASTM D6400 (US)

EN 13432 (EU)

EN 13432
compostaable

Eliminate Microplastics

Full decomposition in commercial composting.

Made with GAMMA

IMPACT

Why It Matters

Tackling Waste

Cleaner Waterways

Reduces plastic runoff, microplastics.

Protect Infrastructure

Minimizes flooding, debris clogging.

Nutrient-Rich Compost

Breaks down into valuable resource.

> Cleaner waterways. Less flooding. Healthier ecosystems.
